Terms of Reference

Aim

To integrate the voices of EYFS and Primary teachers into Polka's planning and to explore ways to extend the reach of our ongoing participation and artistic programming.

Objectives

To understand how Polka can support the needs of educators, schools and young people.

To identify how schools are currently accessing Polka in all areas including shows, workshops, resources and other activities.

To ensure Polka is delivering accessible, inclusive and inspirational theatre and creative experiences for children.

To explore what Polka can be doing to address the barriers to creative engagement within schools.

To discuss opportunities for Polka to be extending the reach of the Theatre's work in schools.

To establish a group of people who will be ambassadors in their schools and community for Polka, as well as act as advisors who will provide an important perspective on all of our creative programming.

Notes

All members will receive exclusive invites to show previews, early access to our upcoming participation and school's programme and networking opportunities with teachers from across London.

The group will meet at the start of each term in the week after school hours, but this is variable to suit people who may not be able to make one set time.
