

# Polka Work Experience Week Application Form

Thank you for your interest in Polka Theatre's Work Experience Week 2023.

This academic year, we will be running work experience from **Monday 3 July – Friday 7 July 2023**.

The work experience programme is for 20 students from school years 10 to 13. If accepted, you will have the opportunity to meet Polka staff from range of departments including Production, Marketing, Fundraising, Creative Learning and Operations.

You will learn about how we make theatre for children, and how the theatre building is run. It's important, therefore, that you can demonstrate an interest in the wider life of the theatre, not just in acting.

As part of the week you will get to see our current productions, take part in practical workshops and present a production pitch to the Polka team.

Due to the large number of applications we receive each year, we would like to know a little more about you and what you hope to achieve during your work placement.

**Please fill out the details below, or email a video recording and send to [elysia@polkatheatre.com](mailto:elysia@polkatheatre.com)**
