

POLKA

Where theatre begins...

Welcome to Polka Theatre. This tour is to help you understand our building and to help you get around while you are here.

Our Building

The entrance at our main front doors is level with the street. Staff are available 20 minutes prior to the start of the show at the main theatre doors to assist with any information. The Box Office is just inside the front doors on the right-hand side.

Our main Foyer space or Exhibition Area is located through double doors straight ahead on the ground floor. There are rocking horses, a dressing up box, colouring in area and a reading corner in this space.

The Café, playground, and toilets are accessed through the double doors to the right

There are accessible toilets located from the Exhibition Area through the corridor straight ahead on ground level.

Doors open mechanically using a push-button system from the Exhibition Area to the accessible toilets and from the Exhibition Area to the Café.

Our Theatres

The Adventure Theatre is accessed from the Exhibition Area through double doors on ground level. The Adventure theatre has seating on ground level for children and on seat around the side for adults.

To access to the Main Theatre there are stairs located next to the Box Office. There are 14 steps then a landing which turns to the right; there are then two steps which turn to the right again with a landing then 9 steps to the upper foyer.

In the upper Foyer we have a small exhibition of teddy bears and toilet facilities.

To enter the main theatre there are double doors and then to the right or left there are 9 steps to a landing then 4 steps to top of stairs.

The seating is raked and there are steps down either side of the auditorium to access the seats.

There is also access to the main theatre via our lift on the ground floor. Please ask a member of staff for assistance.
